

I believe every Canadian deserves the right to a healthy environment. By adding my name, I am standing with Canadians across our country who are asking all levels of government to recognize its citizens' rights to a healthy environment. This right includes breathing clean air, drinking clean water, consuming safe food, accessing nature, knowing about pollutants released into the local environment and participating in government decisions that will affect the environment.

FIRST NAME	LAST NAME	POSTAL CODE	PHONE NUMBER	CITY	EMAIL	YES -- I would like to receive email from the David Suzuki Foundation! (You may unsubscribe at any time.)	YES -- I am interested in volunteering
